Education

AUG, 2014 – NOW

- University of Science and Technology of China
- Ph.D. Candidate Microelectronics
- Research Focus: Reconfigurable Computing

AUG, 2012 – JUN, 2014

- University of Science and Technology of China
- Master Candidate Microelectronics
- Research Focus: Reconfigurable Computing

AUG, 2008 - JUN, 2012

- University of Science and Technology of China
- B.S. Applied Physics

Awards and Group Memberships

- First-class Graduate School Scholarship 2015 – 2016
University of Science and Technology of China
- First-class Graduate School Scholarship 2014 – 2015
University of Science and Technology of China
- Second Prize Chinese Graduate Students electronic design contest 2012
Chinese Institute of Electronics
